**Note 1:**  
 (BLBP): This is net of 10% discount on Basic Rate that is allowed for residential customers for early payment and includes VAT; VAT was increased from 15% to 17.5% in December 2010  
 (VINLEC): Domestic consumers are charged VAT when monthly consumption exceeds 200 units.

**Note 2:**  
 (BLBP): Most Commercial and Industrial customers can reclaim VAT and as a result VAT is excluded from these figures.  
 (VINLEC): VAT (15%) is charged on all units used by commercial and industrial customers.

**Note 3:**  
 (BLBP): This is (Total Fuel cost for year) / (Total kWh Sales for year)  
 (Vinec): Average fuel surcharge rate for the year.

**Note 4:**  
 (Grelec): 230 Permanent / 30 Temporary  
 (BLBP): This includes 22 temporary employees.  
 (JPS): This includes 245 temporary and 282 contract employees

**General Note:**  
 (CLC) customer charges above include meter rental fees, in the case of the 100 kWh customer, the fee of US\$6.14 equates to an additional US\$0.061/kWh.  
 (T&TEC): All TTEC prices exclude 15% VAT.
