Manager, Occupational Health and Safety

Bermuda Electric Light Company Limited (BELCO) is pleased to invite applications for the position, Manager, Occupational Health & Safety reporting to the Senior Vice President, Engineering.

Job Description: Advise Executive and Management teams on all corporate matters related to Occupational Health and Safety and work closely with workgroups and Safety Business Centre staff to achieve and maintain compliance with all safety related legislation. This includes Occupational Health and Safety training and development, workplace inspections, accident investigations, production of Occupational Health and Safety statistics and reports and provide expertise to Joint Occupational Safety and Health Committee.

Provide leadership and day management for the overall development and implementation of a Safety Management System (SMS). This includes the training and development of Safety Business Centre staff in OHSAS 18001, completion of action plans and preparing the SMS for third party audit and certification.

Required Education, Experience & Personal Attributes: Must be current with at least one of the following designations: CSP, CRSP, CHSC or other equivalent Safety Professional Designations, a minimum of 10 years experience is required with at least 5 years in a comparable Occupational Health and Safety management role. This position requires experience and a proven track record of successful development and implementation of the Safety Management System (OHSAS 18001). This position requires both practical and technical knowledge of power generation, transmission and distribution of electricity.

The successful candidate must be prepared to adhere to the ethical standards required by their professional designation, value-centred with high integrity, self-motivated, committed to team work and possess excellent communication and interpersonal skills. Must also be able to work professionally and self-sufficiently within a diverse environment, proactive, take initiative and be decisive, flexible, dependable and customer-focused.
